Shoutout Math

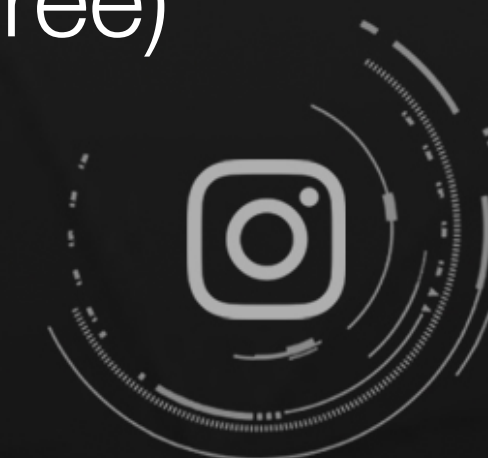

1,000,000 Followers

200,000 Media Views

15,000 Profile Views

3,000 New Followers
(genuine & targeted for \$150 or free)

There are **3 types** of shoutouts

1

Timed

2

Permanent

3

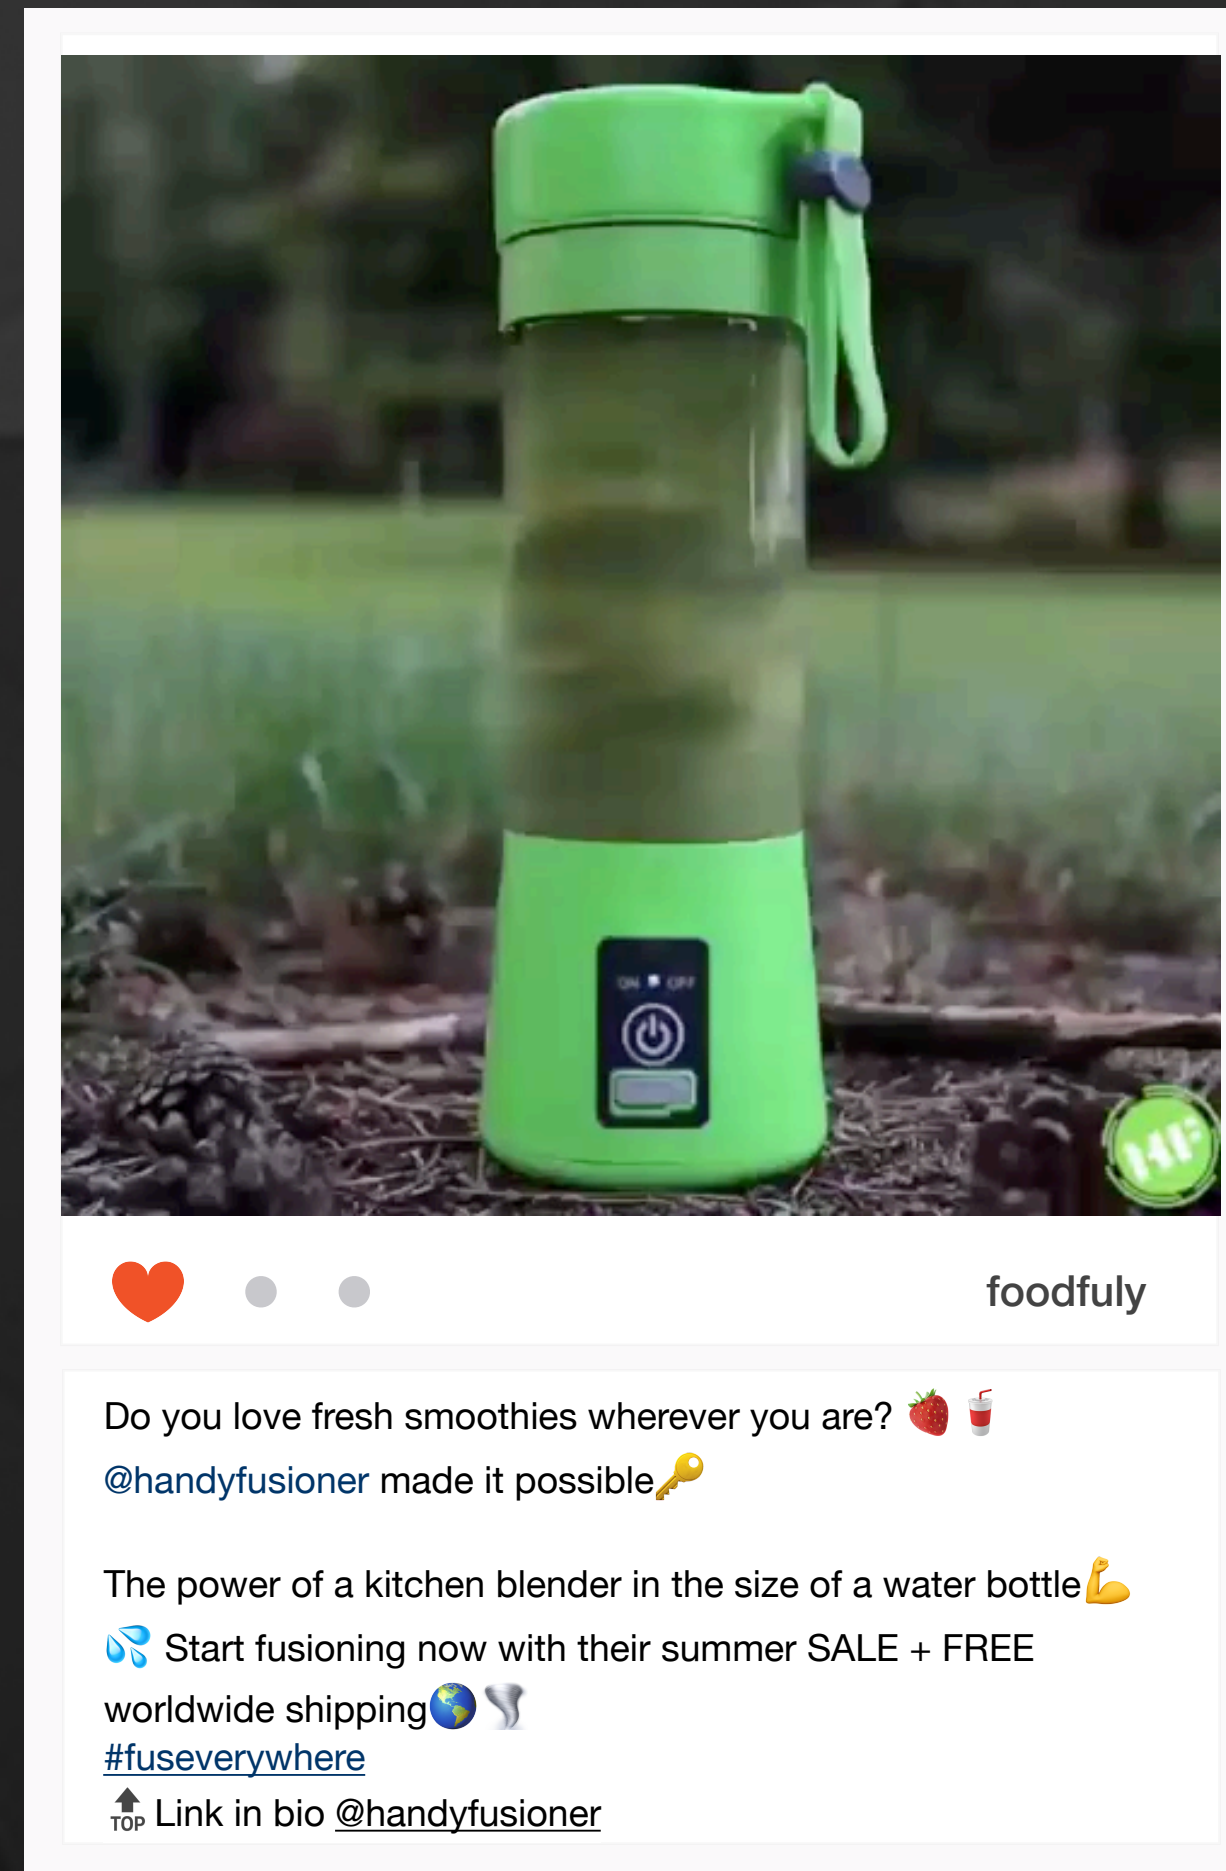

Story

1 Timed (Rent)

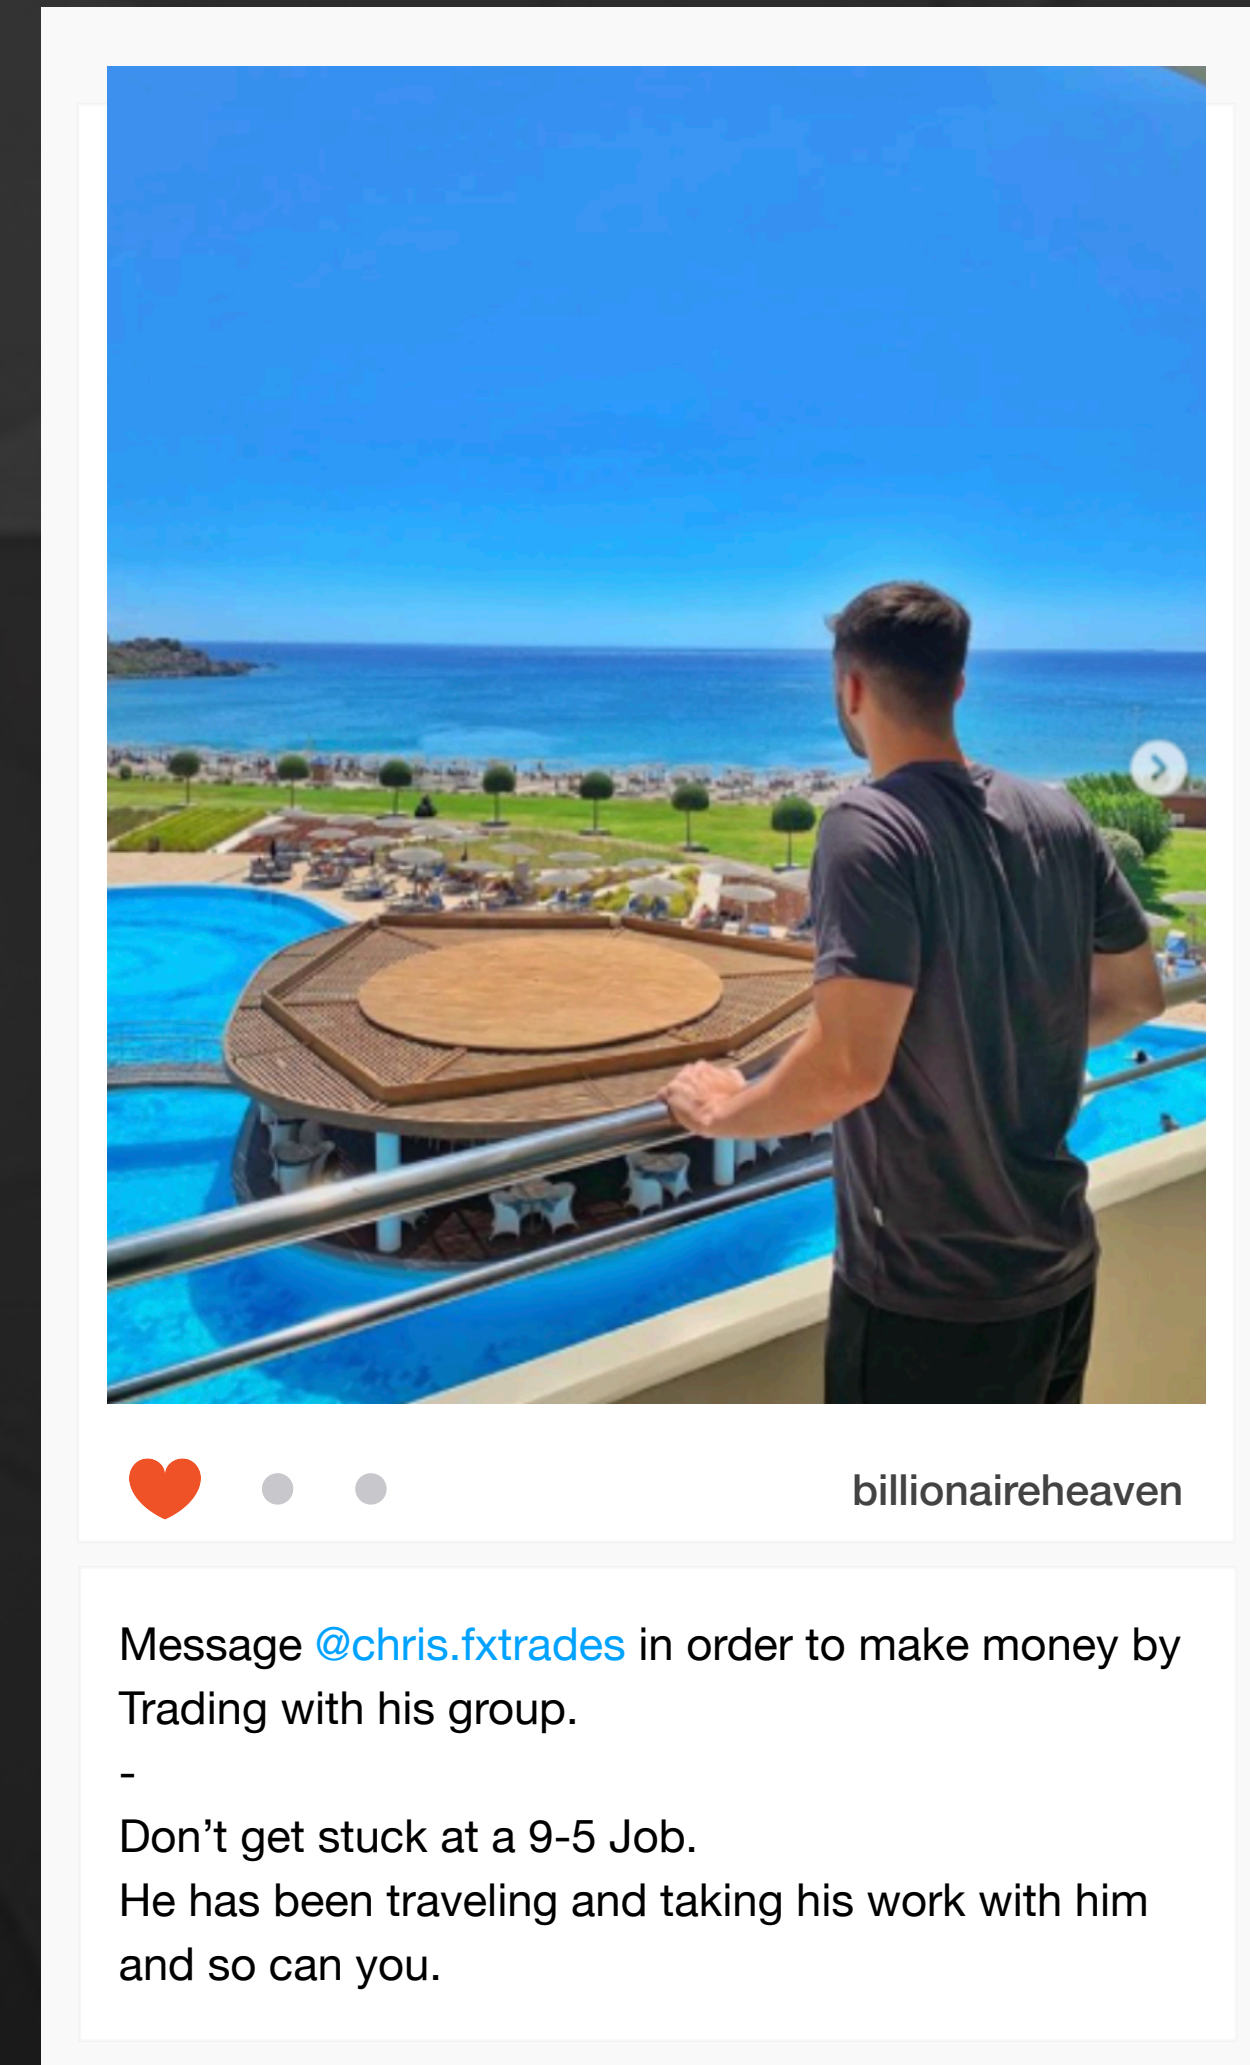

For a Timed Shoutout, a page posts a post advertising **your page** to their followers.

It is left up to be seen and liked for **2-24 hours**

2 Permanent (Buy)

For a Permanent post, a page posts a post advertising **your page** to their followers.
It is left up permanently as content on their page.

3 Story

For a Story post, a page posts a story advertising **your page and content** to their followers.
It will naturally disappear after 24 hours

There is a **sneaky strategy** to get these shoutouts for free...
